

THINKING MAPS®

Path to Proficiency for English Language Learners

April 19-21 and May 24-25, 2017

Bakersfield, California

Path to Proficiency for English Language Learners...

is designed for educators who have been trained in Thinking Maps and who desire to lead their schools or learning communities in acquiring additional information about how the Maps can be extended and adapted to meet all English language proficiency levels.

Participants in the training will:

- ◆ **Guide** your learning community in the study and implementation of Thinking Maps: Path to Proficiency for English Language Learners
- ◆ **Lead** your learning community in understanding how Thinking Maps can be adapted and extended to meet the specific needs of English Learners at all levels of language proficiency
- ◆ **Model** how Thinking Maps can be used to assist with research-based English Learners strategies
- ◆ **Model** how to teach students to recognize and replicate text structures in written discourse
- ◆ **Guide** your learning community in developing differentiated lesson plans for all language proficiency levels of English Learners
- ◆ **Provide** practical applications to English Learner theory

If you are interested in bringing a team to this training, please complete the registration form and fax or mail it to our office in Cary, North Carolina
