

# THINKING MAPS®

## Thinking Maps Training of Trainers

April 25-27 and September 18-19, 2017

Pasadena (Alhambra), California

### The Thinking Maps Training of Trainers (TOT)

Prepares skilled educators at the school and district level to implement Thinking Maps for critical and creative thinking in all content areas and grade levels. These instructional leaders will learn how to connect Thinking Maps to state standards and effective instructional practices in order to support the quality implementation of Thinking Maps to achieve success for all.

### Participants in the training will learn how to:

- ◆ Conduct introductory workshops for whole schools or content area groups
- ◆ Facilitate the school-wide use of all features of the online Thinking Maps Learning Community to guide and support a successful implementation of Thinking Maps.
- ◆ Coach and/or model the use of Thinking Maps in classrooms.
- ◆ Lead small group or PLC's in the discussion and application of quality instructional strategies using Thinking Maps.
- ◆ Facilitate the development of interdisciplinary applications with Common Core State Standards
- ◆ Work with Thinking Maps, Inc. to assess and guide the use of Thinking Maps for improving the critical and creative thinking of all learners.

If you are interested in bringing a team to this training, please complete the registration form and fax or mail it to our office in Cary, North Carolina
