Thinking Maps
Virtual Training
Trainer of Trainers

Schedule — 9:00 a.m. to 3:00 p.m.

The Thinking Maps Training of Trainers (TOT) aligns with 21st Century professional development that takes place within communities committed to continuous improvement, collective responsibility and goal alignment. Skilled educators at the school and district level will focus on a week-by-week Plan of Action as they lead the implementation of Thinking Maps for critical and creative thinking in all content areas and grade levels. These teacher leaders will learn how to embed continuous learning sessions about relevant Thinking Maps applications into regularly scheduled planning sessions and/or Professional Learning Communities.
