Thinking Maps Foundations
Virtual Trainer of Trainers

The Thinking Maps of Trainers (TOT) aligns with 21st Century professional development. Skilled educators will focus on the implementation of Thinking Maps for critical and creative thinking in all content areas and grade levels. Teacher leaders will learn how to embed continuous learning sessions into regularly scheduled planning sessions and/or Professional Learning Communities.

October 7, October 14, October 21 9:00 a.m. to 3:00 p.m.

Participants in the training will learn how to:

- Conduct introductory workshops for whole schools.
- Embed targeted learning opportunities into regularly scheduled planning time and/or PLC’s.
- Lead small groups or PLC’s in the discussion and connection of Thinking Maps to State Standards and best practices.
- Coach and/or model the use of Thinking Maps in classrooms.
- Monitor and assess the appropriate use of the Maps by teachers and students in order to have the greatest impact on student achievement.
- Facilitate the school-wide use of features of the online Thinking Maps Learning Community to guide and support a successful implementation of Thinking Maps.
