**VIRTUAL**

## THINKING MAPS FOUNDATIONS: **TRAINING OF TRAINERS (K-12)**

**June 4-6, 2025**

This training provides an in-depth introduction to the eight Thinking Maps and the cognitive processes they represent. Thinking Maps is a whole-school, brain-based approach to teaching and learning designed to build foundational critical thinking, problem-solving, comprehension, and communication skills necessary for academic success.

### **PARTICIPANTS WILL BE SHOWN HOW TO:**

- Use and apply Thinking Maps in a variety of ways across grade levels and content areas
- Accelerate learning for all students with brain-based strategies for developing critical thinking, creativity and communication skills
- Conduct introductory workshops and develop a tailored rollout of Thinking Maps with other educators in their school
- Facilitate and support a successful Thinking Maps implementation

### **WHAT'S INCLUDED:**

- 3 days of professional development
- *Thinking Maps: A Language for Learning, 2nd Ed. Teacher's Guide* (1 physical copy & 1-year read-only digital access)
- *Thinking Maps: A Language for Learning, 2nd Ed. Trainer's Guide* (1 physical copy & 1-year read-only digital access)
- Set of Cooperative Desk Maps

### **WHO SHOULD ATTEND:**

- Teachers & Instructional Leaders (K-12)

### **PREREQUISITES:**

- A desire to learn and lead

## TRAINING REGISTRATION

### HOW TO REGISTER:

Collaborate with your representative to create a comprehensive training and implementation plan. Please note that your registration will be finalized upon your representative's approval.

You may complete your registration online at the link beneath. Simply find your session and click on the "Register" button.

<https://Community.ThinkingMaps.com/Sales/Calendar>

Alternatively, you may fill out the form at the link beneath to send via email, fax or mail.

[Registration Form](#)

**SUBMIT FORM VIA:** Email: [office@thinkingmaps.com](mailto:office@thinkingmaps.com) | Fax: 919.678.8782

Mail: Thinking Maps, Inc., 401 Cascade Pointe Lane, Cary, NC, 27513

*Thinking Maps accepts Visa and Mastercard for online registration.*

*Check and purchase orders are also accepted as registration payment.*

### HOW TO ACCESS A VIRTUAL TRAINING COURSE:

Participants will receive an email with access instructions prior to the first day. The training will utilize the Zoom meeting platform.

### Important Additional Information:

- *A purchase order, check or credit card information for registration fee amount per participant must accompany this registration. Visa and MasterCard are accepted for online registration.*
- *Registrations received after the deadline may be accepted (if the course is not yet filled), but participants may not receive the physical copies of the resource material by the training date. They will, however, have access to the read-only digital versions for the training.*
- *Cancellations must be made in writing via email by the registration deadline. After this date, registrations will not be refunded and districts will be billed for "no shows." To receive a refund, participants must return any materials received to Thinking Maps, Inc. in new condition (i.e., unopened and still in shrink wrap).*
- *Participants understand and agree that they are only authorized to train and support teachers or any school personnel who have purchased the required course materials. All concepts and materials may only be used to train teachers who have these resources.*
- *All prerequisites must be completed prior to participation in this course.*
